4. Financial Instruments

4.1. Under its CIF license the Company may offer the above investment services in relation to certain Financial Instruments, which have the meaning given to it in Part III of the First Appendix of the Law:

- (a) Transferable Securities.
- (b) Money-market instruments.
- (c) Units in collective investment undertakings.
- (d) Options, futures, swaps, forward rate agreements and any other derivative contracts relating to securities, currencies, interest rates or yields, emission allowances or other derivatives instruments, financial indices or financial measures which may be settled physically or in cash.
- (e) Options, futures, swaps, forwards and any other derivative contracts relating to commodities that must be settled in cash or may be settled in cash at the option of one of the parties other than by reason of default or other termination event.
- (f) Options, futures, swaps, and any other derivative contract relating to commodities that can be physically settled provided that they are traded on a regulated market, a MTF, or an OTF, except for wholesale energy products traded on an OTF that must be physically settled.
- (g) Options, futures, swaps, forwards and any other derivative contracts relating to commodities, that can be physically settled not otherwise mentioned in point 6 above and not being for commercial purposes, which have the characteristics of other derivative financial instruments.
- (h) Derivative instruments for the transfer of credit risk.
- (i) Financial contracts for differences.
Options, futures, swaps, forward rate agreements and any other derivative contracts relating to climatic variables, freight rates or inflation rates or other official economic statistics that must be settled in cash or may be settled in cash at the option of one of the parties other than by reason of default or other termination event, as well as any other derivative contracts relating to assets, rights, obligations, indices and measures not otherwise mentioned in this Part, which have the characteristics of other derivative financial instruments, having regard to whether, inter alia, they are traded on a regulated market, OTF, or an MTF.
